## Christmas in July – Felt Ornaments

**Artist/Instructor:** *Patti Schroeder*

Patti began with sewing and embroidery projects in 4-H under her mother's instructions when she was in elementary school. Patti has previously taught classes in sewing, weaving, knitting, and embroidery at Traditional Arts Today.

### Class Information

During this class, participants will learn skills to create 3 beautiful Christmas felt ornaments. These ornaments are so much fun to sew! No sewing experience is required - hand sewing techniques will be taught. You will be able to select your preferred ornament designs from several patterns. There are so many possibilities when designing and decorating them. Also available is the option to buy other felt ornaments kits for \$18 which include directions to design and create felt ornaments at home. This class is great both for complete beginners and for people with experience. After the class, you will be able to work with future felt ornament projects with ease, joy and confidence!

*Please note: the picture above is a sample - your completed felt ornament will reflect your unique personality!*
