## "Kids Art Kreations" Series String Art

Following the pandemic, our "Kids Art Kreations" Series continues! Thanks to a generous grant from the Menke Charitable Foundation, the following class is available in order to expand our educational programs to youth.

*Instructor: Angie Evans - Assistant: Sierra Evans*

Growing up, I learned how to draw from my dad. I thrived in art class and 4-H. Being creative comes naturally. I am drawn to bright colors and love all kinds of art. Later in life, I took an oil painting class and it's now my passion. A pastor once told me, "When God gives you special gifts, it's meant to be shared with others and where there is passion, the sky's the limit."

### CLASS INFORMATION

String together some fun while you create three dazzling designs. It's fun and easy! Using push pins and foam canvases, we will string away using colorful embroidery thread. No hammer or nails will be used during this class. Transform string and pins into works of art!

Your kit will include 3 designs - a peace symbol, heart shape and the word "hi". What isn't finished during class, can be taken home for completion.

*Please note: the picture is a sample - your art will reflect your unique personality!*
